

EMPLOYEE MANAGEMENT

RAG Learning Knowledge Base

Synthetic enterprise dataset — 1,000 employees

Designed for chunking, embeddings, semantic search, metadata filtering and question answering

This document intentionally contains repeated entity patterns, unique employee facts, policies, department information, FAQs, and cross-references so it can be used as a practical Retrieval-Augmented Generation (RAG) learning dataset.

1. RAG Dataset Guide

- **Recommended chunk size:** 400–800 tokens for general sections; 1–3 employee records per chunk for entity retrieval.
- **Useful metadata:** document_type, department, location, employee_id, employment_type, year, policy_category.
- **Good semantic-search questions:** employee lookup, department summaries, leave rules, manager relationships, benefits, attendance rules.
- **Good metadata-filter questions:** 'Find active Engineering employees in Ahmedabad' or 'Show employees in Finance'.
- **Hybrid search practice:** combine exact employee IDs with semantic queries because IDs and names are keyword-heavy.
- **Grounded-answer practice:** answer only from retrieved context and say when the knowledge base does not contain the answer.

2. Organization Overview

Field	Value
Organization	ApexNova Technologies Pvt. Ltd.
Dataset type	Synthetic / fictional learning dataset
Employees	1,000
Locations	Ahmedabad, Bengaluru, Pune, Mumbai, Hyderabad
Departments	Engineering, Product, Design, HR, Finance, Sales, Marketing, Operations, IT Support, Legal
Employee statuses	Active, On Leave, Probation, Notice Period, Resigned
Generated dataset version	RAG-EMS-2026.09

3. Departments

Code	Department	Description
ENG	Engineering	Builds and maintains product software.
PROD	Product	Owns product strategy, requirements and roadmaps.
DES	Design	Owns UX research, product design and design systems.
HR	Human Resources	Employee lifecycle, policies, engagement and HR operations.

SAL	Sales	Customer acquisition, account management and revenue operations.
MKT	Marketing	Brand, content, campaigns and demand generation.
OPS	Operations	Business operations, process management and administration.
ITS	IT Support	Internal systems, endpoints, access and technical support.
LEG	Legal	Contracts, compliance, legal review and risk management.

4. HR Policies

POL-001 — Annual Leave

Full-time employees receive 24 annual leave days per calendar year. Leave longer than 5 consecutive working days requires manager and HR approval. Unused annual leave can be carried forward up to 12 days.

POL-002 — Sick Leave

Employees receive 12 sick leave days per year. A medical certificate may be requested for sick leave exceeding 3 consecutive working days.

POL-003 — Work From Home

Employees may request up to 8 work-from-home days per month, subject to role suitability and manager approval. Critical on-site roles may have different arrangements.

POL-004 — Attendance

Standard working hours are 9:30 AM to 6:30 PM with a one-hour lunch break. Employees should record attendance through the company attendance system.

POL-005 — Late Arrival

Three late arrivals of more than 15 minutes in a calendar month trigger an attendance review by the manager.

POL-006 — Probation

Standard probation is 6 months. Managers submit confirmation feedback at least 10 business days before the probation end date.

POL-007 — Notice Period

Standard notice period for confirmed employees is 60 days unless the employment contract specifies otherwise.

POL-008 — Expense Claims

Business expenses must be submitted within 30 days. Receipts are required for individual expenses above ■1,000.

POL-009 — Performance Review

Formal performance reviews occur twice a year, in June and December. Managers document goals, outcomes, strengths and development areas.

POL-010 — Document Security

Employee documents must be stored in private company storage. Access is limited according to HR and managerial permissions.

5. Benefits & Rules

BEN-001 — Health Insurance

Eligible employees receive company health insurance. Dependents may be added according to the current benefits plan.

BEN-002 — Learning Budget

Employees can request up to ■25,000 per financial year for approved learning and certification expenses.

BEN-003 — Internet Allowance

Eligible remote employees can claim up to ■1,500 per month for approved internet expenses.

BEN-004 — Referral Bonus

Successful employee referrals may qualify for a referral bonus after the referred employee completes the required service period.

BEN-005 — Grievance Process

Employees may raise HR concerns through the HR portal. HR acknowledges formal grievances within 2 business days.

6. Employee Directory — 1,000 Synthetic Records

Each employee record is deliberately self-contained. This makes the dataset useful for testing entity retrieval, metadata filtering, exact-match retrieval and multi-hop questions involving employees, departments and managers.
